

MOCA®

MOCA® simulation programs focus on presenting scenarios designed to help participants identify knowledge gaps and practice critical skills in a safe setting. The advanced clinical course for small (three-to-six-person) groups of practitioners qualifies for ABA MOCA® Program Part IV credit.

MOCA® is a registered certification mark of the American Board of Anesthesiology, Inc.

MAINTENANCE OF CERTIFICATION IN ANESTHESIOLOGY (MOCA®) SIMULATION PROGRAM

The goal of the ASA-required simulation activity is to enhance & encourage participation in Practice Performance & Improvement (PPAI) activities.

Our MOCA® simulation programs focus on presenting scenarios designed to help the participants identify topics & projects for their PPAI programs.

A major portion of the simulation process is dedicated to a detailed debriefing regarding the action, decisions, & processes arising in each scenario.

Peer to peer, guided debriefing will occupy at least 40% of the education process. Debriefings may also include handouts & brief presentations on key clinical issues.

This activity offers up to 7.0 CME credits, of which 7.0 credits contribute to the patient safety CME component of the American Board of Anesthesiology's redesigned Maintenance of Certification in Anesthesiology™ (MOCA®) program, known as MOCA 2.0®.

Please consult the ABA website, www.theABA.org, for a list of all MOCA® 2.0 requirements.

ACCREDITATION

The University of New Mexico School of Medicine (UNM SOM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

UNM SOM designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PROGRAM

The Simulation Education Program of the Department of Anesthesiology and Critical Care Medicine at The University of New Mexico School of Medicine is an American Society of Anesthesiologists (ASA) endorsed simulation center. We will be presenting advanced clinical scenarios for small (3-6) groups of practitioners with the goal of fulfilling the ABA Endorsed Center Simulation Criteria under the MOCA 2.0® program.

All simulation programs will take place at the Interprofessional Healthcare Simulation Center (IHSC).

MAXIMUM STUDENT-INSTRUCTOR RATIO 5:1, USUALLY 2:1 OR 3:1

- Four or more scenarios will be presented for each session.
- Each participant will be the primary manager in at least one of the scenarios.
- Post-scenario debriefings will include input from peers and instructors.

CORE TOPICS RECOMMENDED BY THE ABA ARE:

- Management of significant hemodynamic instability.
- Management of significant hypoxemia from any cause, including difficult airway.
- Principles and practice of teamwork and communication.

REGISTRATION

PARTICIPANT PREREQUISITE: ABA diplomat seeking MOCA® re-certification

COST: \$1,950.00

TIME: 7:30 a.m. - 4 p.m.

BREAKFAST & BOX LUNCH PROVIDED

REFUND POLICY

Refunds for cancellation will only be available if notice is provided in writing 30 days prior to the scheduled date of course. There is a \$40.00 cancellation fee.

****IF YOU ARE ILL AND NEED TO RESCHEDULE** Please contact us ASAP and we will attempt to reschedule you for a future course date, upon availability."

CANCELLATION POLICY

The UNM Anesthesiology Simulation Program reserves the right to cancel a session at any time if a minimum number of registrants is not met (refunds or re-registration will be offered). If necessary, the decision to cancel will be made at least 30 days in advance. If university or local guidelines do not permit the event to take place, cancellation notices will be sent out as soon as possible. In the event this conference is canceled, UNM CPL is not responsible for any airfare, hotel or other costs incurred by participants.
