**How do we harness these drivers to
create meaningful change in our
lives, work and institution?**

DRIVERS OF CHANGE: PURPOSE, PRESSURE, PRESENCE

Doctors, nurses, psychologists, physician assistants, residents, other health professionals...

Approximately 45% of physicians report at least one symptom of burnout. Burnout leads to decreased quality and safety of patient care and decreased physician retention. New Mexico has a significant physician shortage. Strategies to address burnout include building community and sense of belonging, enhanced self-awareness, finding purpose and meaning in work, identifying stressors and working together for systemic change. This retreat is intended to use these strategies to address burnout and promote physician well-being and retention.

We will integrate wellness activities into the programming with optional free time to soak in pools, relax with colleagues, schedule a spa treatment (at your own cost) or pet puppies or silky chickens.

Mornings from nine to noon, participants meet to discuss what drives us to do what we do and to brainstorm for change.

Afternoon discussions will center around challenges and what goals and intention for change we'll have after the retreat.

CME credits (up to 11.00 hours) will be available.

LEARNING OBJECTIVES

By the end of the retreat, participants will:

- Identify and analyze three drivers of change in your life and the healthcare environment
- Develop strategies to support and promote change
- Learn and explore well-being strategies that can be used to mitigate burnout
- Build a peer support network to enhance resiliency and support ongoing personal and systemic change

ACCREDITATION

PHYSICIANS

The University of New Mexico School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of New Mexico School of Medicine designates this live activity for a maximum of **11.00** *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OTHER HEALTHCARE PROVIDERS

This program has been approved for *AMA PRA Category 1 Credits™* for physicians. Many societies and credentialing bodies accept the *AMA PRA Category 1 Credits™* as an equivalent as long as the topic is relevant to applicant's field or discipline. To obtain other healthcare provider CE credit, refer to the guidelines provided by your board to understand specific requirements. A certificate with a statement of attendance and supporting documentation you can use to apply for CE relevant to this activity, will be provided after the course.

2026 FACULTY

Maria Hooper MD, MPH is an associate professor in the Department of General Internal Medicine at UNM and Medical Director of the UNM Northeast Heights Clinic. She is also a Learning Community Mentor for students in the School of Medicine and course director in the Doctoring Curriculum. She trained at the University of Pittsburgh where she did a Primary Care Internal Medicine Residency and General Medicine Fellowship. She was a primary care doctor in Pittsburgh for over 25 years before moving to New Mexico five years ago. Maria has been a student and practitioner of contemplative practices for over 15 years and recognizes the profound benefits. She has studied Mindfulness and Meditation teaching under Jack Kornfield and Tara Brach, Enneagram teaching under Russ Hudson and completed the Living School at the Center for Contemplation and Action. She believes strongly in the power of authentic community, sharing stories, and deep listening. She also loves a good hike in the mountains, hanging out with her adult sons, her cat, Pasha, and a fine glass of wine.
