

The UNM School of Medicine Learning Environment Office and UNM HSC Office for Diversity, Equity & Inclusion are pleased to present:

Building Inclusive Environments: Gender & Gender-Identity

**Seminars are held on the
third Wednesday of each month from 12-1 PM**

Mistreatment based on gender continues to be an area of concern for LEO. The UNM Health Sciences Center is committed to supporting women and gender expansive learners, teachers and staff members.

In these sessions, we'll explore different aspects of gender and gender-identity and help participants build knowledge, skills and confidence for ensuring inclusive environments.

FINAL INSTALLMENT

DECEMBER 8

(NOT THE 15TH)

PUTTING EMERGING PRACTICES INTO ACTION

presented by:

Lindsay Smart, PhD

Associate Vice Chancellor for Leadership and Faculty Equity & Inclusion, UNM HSC Office for DEI
Associate Professor, Director for DEI, and Clinical Psychology Internship Training Director,
UNM School of Medicine Department of Psychiatry and Behavioral Science

In this final session, we will:

- Practice skills that contribute to building environments inclusive of all genders and gender identities
- Create one action item for yourself that is related to reducing the experience, and impact, of gender-based mistreatment at UNM HSC.
