

The UNM School of Medicine Learning Environment Office and
UNM HSC Office for Diversity, Equity & Inclusion are pleased to present:

Building Inclusive Environments: Gender & Gender-Identity

**Seminars are held on the
third Wednesday of each month from 12-1 PM**

Mistreatment based on gender continues to be an area of concern for LEO. The UNM Health Sciences Center is committed to supporting women and gender expansive learners, teachers and staff members.

In these sessions, we'll explore different aspects of gender and gender-identity and help participants build knowledge, skills and confidence for ensuring inclusive environments.
