Virtual Volunteer Experiences

The **American Red Cross** always has needs for volunteers to act as digital advocates. Volunteers can help generate donations to the Red Cross while shopping for themselves online or by setting up online fundraisers. Volunteers can also help spread awareness by re-post their social media content. <https://www.redcross.org/volunteer/volunteer-opportunities/be-a-digital-advocate.html>

Grow Movement recruits online volunteer business consultants from around the world to work via Skype, phone and email to empower African entrepreneurs in Uganda, Rwanda and Malawi, helping them with business skills, enabling them to run their organizations more effectively, increase profitability and create jobs in their communities. <https://www.growmovement.org/>

BookShare.Org offers thousands of books to people with reading disabilities. As an online volunteer you can either scan books to be added to the collection or edit books that have been scanned. <https://www.bookshare.org/cms/get-involved/volunteer>

Translators Without Borders recruits volunteers who want to translate texts into different languages for NGOs and nonprofits. <https://translatorswithoutborders.org/volunteer/>

CricketTogether was developed in response to an increasing demand for youth mentorship as schools work to instill 21st century skills. The program is a safe, innovative turnkey eMentoring solution that offers employee volunteers a meaningful opportunity to deliver a compelling educational experience for children and teachers across the country. <https://cricketmedia.com/crickettogether/get-involved/volunteer-ementors/>

Crisis Commons / CrisisCamp mobilizes technology volunteers to work together to create disaster response and learning events with volunteers, who collaborate to aggregate crisis data, develop prototype tools and train people on how to use technology tools to aid in disaster response. Online volunteers need to be experienced, credible IT experts and need to sign up before a crisis. <https://crisiscommons.org/>
