2019 Bone Marrow Failure and Myeloid Neoplasms Symposium: Advances in Diagnosis and Treatment

Saturday, March 30, 2019 | 8:00 to 3:00 pm

Sheraton Albuquerque Uptown
2600 Louisiana Blvd | Albuquerque, New Mexico 87110

Course Chair: Cecilia Arana Yi, MD
*Assistant Professor of Medicine,
University of New Mexico Comprehensive
Cancer Center*

Program Summary

This one day program will provide updates on the most recent research related to biology and clinical management of bone marrow failure diseases including myelodysplastic syndromes (MDS), aplastic anemia (AA), paroxysmal nocturnal hemoglobinuria (PNH), acute myeloid leukemia (AML) and myeloproliferative neoplasms (MPN). The overall goal of this continuing education activity is to facilitate the translation of research findings into clinical practice and to improve the care of these patient populations.

Learning Objectives:

- Provide accurate differential diagnosis of bone marrow failure diseases, including MDS, MPNs, aplastic anemia, and PNH;
- Critically appraise recent advances in research on the genetic characteristics of bone marrow failure diseases;
- Summarize recent progress in understanding the pathogenesis of myeloid malignancies and bone marrow failure diseases;
- Describe safety and efficacy data for currently available therapies for bone marrow failure diseases;
- Identify current therapeutic standards, as well as new and emerging therapies used in HCT.

ACCME Accreditation Statement:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of New Mexico Office of Continuing Medical Education and AAMDS International Foundation. The University of New Mexico Office of Continuing Education is accredited by the ACCME to provide continuing medical education for physicians.

AMACredit Designation Statement:

The Office of Continuing Medical Education designates this educational activity for a maximum of 5.30 AMA PRA Category 1 Credits(s)TM. Physicians should claim only the credit commensurate with the extent for their participation in the activity.

Fee:

There is no fee associated with this event.

Target Audience:

Health care professionals working with bone marrow failure disease patients, including: hematologists, advanced practice providers, oncologists, primary care physicians, pediatricians, pathologists, residents/fellows, physician assistants, nurse practitioners, nurses & pharmacists.

Agenda:

8:00 am – 8:30 am

Registration

8:30 am – 9:00 am

Paroxysmal Nocturnal Hemoglobinuria
Charles Parker, MD, University of Utah

9:00 am – 9:30 am

Congenital Bone Marrow Failure in Children

*Jodi Mayfield, MD,
University of New Mexico Comprehensive
Cancer Center*

9:30 am – 10:00am

Bone Marrow Failure and the Role of Hematopoietic SCT

*Matthew Fero, MD, FACP, University of
New Mexico Comprehensive Cancer Center*

10:00 am - 10:30am

Aplastic Anemia

*Ronald Paquette, MD
Cedars-Sinai Medical Center, Los Angeles*

10:30am – 11:00 am

Break

11:00am – 11:45am

Myelodysplastic Syndromes

*Rafael Bejar, MD, PhD
University of California San Diego*

11:45am – 12:30pm

Myeloproliferative Neoplasms Cecilia Arana Yi, MD

*University of New Mexico Comprehensive
Cancer Center*

12:30pm – 1:30 pm

Lunch

1:30pm – 2:15pm

Acute Myeloid Leukemia

*Musa Yilmaz, MD
MD Anderson Cancer Center, Houston*

2:15pm – 3:00pm

Diagnostic Challenges:

The Pathologist's Perspective

Tracy George, MD, University of Utah
