

Parking Information

Particularly for HSC Albuquerque BSN students, you might need to re-think your transportation and parking options at UNM. Parking and Transportation Services (PATS) makes every effort to offer the most convenient parking available by dividing parking by groups of students based on their academic program. Permits may be purchased online from your “My Parking Portal” website or in the PATS office.

If you already hold a permit you may contact Parking and Transportation Services to transfer to a closer lot, such as M, G or Q lots. If you are new to UNM, you may purchase a parking pass from PATS. Their website is <http://pats.unm.edu/permits/students/index.html>. The website also has bus and biking information.

A parking map is found on the next page, as well as on the PATS website. While not marked on this map, the College of Nursing is just north of the University of New Mexico Hospital.
