UNM Student Nurses Association

https://hsc.unm.edu/nursing/students/experience/organizations/sna.html

The UNM Student Nurses Association (SNA) empowers undergraduate student nurses to explore education and employment opportunities while benefiting their community. This organization helps you grow into your potential, clarify your professional role and understand your responsibility for providing healthcare to people in all walks of life.

Why Join?

- **Networking** - As an active participant, you will meet and interact with professors, fellow students, renowned guest speakers and potential employers.
- **Community Involvement** - Expect many opportunities to give back to your community.
- **Peer Mentoring** - Receive one-on-one mentorship from experienced students for your pre-nursing and UNM College of Nursing courses.
- **Travel** - Attend the National Student Nurses Association's annual and mid-year conferences.
- **Graduation Incentives** - All active members will receive honors cords to wear proudly during graduation.

UNM SNA offers two types of organizational memberships: associate or active membership. To become an active member of the UNM SNA, you are required to:

- Fill out application and email to unmsna@clubs.unm.edu.
- Pay a one-time $25 membership fee to TouchNet or make an appointment for cash drop-off to Dr. April Tafoya. Email: apltafoya@salud.unm.edu.
- Join the National Student Nurses' Association (NSNA) for an annual fee. Join NSNA online at www.nsna.org. Once you join, you will receive a membership number that you can present to the UNM SNA. Two-years is preferred because it will cover the 20-month program.

Associate members are welcome to sign in and participate, but do not have to fulfill these requirements. The requirements for an active UNM SNA membership and to receive honor cords are:

- Be a current NSNA member, plus the one-time fee.
- Attend four of the six regularly scheduled SNA meetings per term.
- Participate in at least 2 hours of philanthropy per term.
- Participate in one SNA sponsored fundraiser per term.

Active members who complete the criteria will be eligible for multiple graduation cords.
