

# The **Diamond** Gala

**The Diamond Gala**

June 18, 2022 | Sheraton Albuquerque Uptown

# *Celebrating a Legacy of Excellence in Pharmacy*

Since 1945, the UNM College of Pharmacy has developed pharmacists, educators and scientists to improve the health of local and global communities. For more than 75 years, the College stands proudly at the center of a pharmacy movement beating in the heart of New Mexico.

The finale of the Diamond Campaign celebration is a gala. Proceeds from the **Diamond Gala** will support students and faculty charged with continuing the college's rich legacy of innovation and leadership. Need for private funding is greater than ever, but so is the potential for transforming the world of pharmacy and pharmaceutical sciences over the next 75 years.

With the contributions of our alumni, friends, and corporate partners, the **Diamond Gala** will:

**EMPOWER** students through scholarships and professional development

**ESTABLISH** post graduate pharmacy residencies and fellowships

**ATTRACT** and retain the most talented faculty through enhanced research funding and endowed professorships and chairs.

**RECRUIT** the best and brightest graduate students by providing teaching assistantship stipends
