

## 2021 EXCELLENCE IN RESEARCH AWARD - Call for Nominations -

The Excellence in Research Award from the University of New Mexico College of Pharmacy was created to recognize the success of our alumni and trainees in research in pharmaceutical and/or administrative sciences.

### SELECTION CRITERIA

Nominees must have received significant research training within the UNM College of Pharmacy and have a distinguished record of accomplishments in research. Eligible trainees include Doctor of Pharmacy, undergraduate and graduate student alumni, former postdoctoral fellows, and former residents. Any one may nominate a candidate for this award following the process below. Note however, self-nominations will not be accepted.

### NOMINATION PROCESS

To nominate someone, please submit the following materials:

1. The completed nomination form.
2. A letter of nomination (no more than 3 pages) describing the nominee's research training at the UNM College of Pharmacy and achievements in research that make him/her worthy of this recognition.
3. Nominee's current curriculum vitae.

### NOTE:

\* Nominations made this year will be included in a pool of nominees for three years. You may nominate a person who has been nominated in the past, especially if you have new information about the nominee.

\* Once a recipient is selected, the College will notify them as well as the nominators of those not selected
