

Quality Indicators: Doctor of Pharmacy Program

Accreditation Status

The Doctor of Pharmacy (PharmD) program at the University of New Mexico College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education, 190 S. LaSalle Street, Suite 3000 Chicago, Illinois 60603-3446. The program was reaccredited in 2024 and the accreditation term granted for the Doctor of Pharmacy program extends until June 30, 2032. The accreditation status of the program is designated on ACPE's website, <https://www.acpe-accredit.org/>. Detailed PharmD Accreditation History for UNM is available [here](#).

The University of New Mexico has been continuously accredited through the [Higher Learning Commission \(HLC\) of the North Central Association](#) since 1922. The HLC accreditation covers all of UNM's campuses and programs. The institution's last comprehensive accreditation review occurred in April 2019, and resulted in a full 10-year reaffirmation of accreditation.
