The Health Careers Academy (HCA) is a free six-week, non-residential program in Las Vegas, NM for high school students who will be juniors and seniors. The program is designed to enhance math, science, language and critical thinking skills while exposing students to careers in health professions. This program will challenge students by balancing a rigorous academic curriculum, ACT preparation, service learning, and health science career exploration.

What does HCA offer?

- Up to 6 weeks of math, science, and language instruction
- ACT preparation and practice exams
- CPR Certification
- Presentations from health professionals
- Service Learning/Community Based Project
- Sessions on Cultural Humility
- Stipend upon completion of the program
- Peer Health Education and Mentorship Experience

Applications Due April 24, 2020

Eligibility

- Be a U.S citizen or permanent resident
- Have an interest in pursuing a health career
- Have a 2.5 GPA or higher
- Have Parental Permission
- Be a rising junior or senior in high school

Application Requirements

- Student Application
- Personal Statement
- Two Completed Recommendations
- One unofficial copy of your transcript
- Pre-ACT or SAT scores (If taken)

Expectations

- Participants are expected to commit to the full six-week program plus one-day orientation
- Participants must have arranged transportation as they are expected to participate daily from 8:30am to 5:00pm
- Participants must comply with campus policies regarding conduct, academic honesty, and lawful behavior
