

# UNM Faculty Survey for Research 2018

Richard S. Larson, MD, PhD,  
Executive Vice Chancellor, Vice Chancellor for Research

# 2018 Survey Responses

- **Total Responses:** **368**
- School of Medicine: 299
- College of Pharmacy: 28
- College of Nursing: 36
- College of Population Health: 5

## ▪ Scales

### Importance

≥ 2.75 "Important"

### Satisfaction/Agreement

≥ 2.75 "Satisfied"

## ▪ Faculty Track:

- Flex 3.3%
- Clinical Educator 46.7%
- Research 6.8%
- Tenure Track/Tenured 32.9%
- Other 10.3%

	Tenured	Research	Clinician Educator	Flex
Assistant Professor	36	25	172	12
Associate/Fu II Professor	84

# Top 10 Highest Ranked for Satisfaction

1. Human Research Protections Office: The Human Research Protections Office (HRPO) staff are professional in their interactions with investigators and their research staff	4.03
2. Human Research Protections Office: Is effective in their federally mandated role of reviewing and monitoring research involving human subjects and ensuring that appropriate steps are taken to protect the rights and welfare of those subjects	3.92
3. Human Research Protections Office: When evaluating the research protocol, the Human Research Review Committee (HRRC) focuses on the consenting process in its entirety rather than only the consent document	3.82
4. Human Research Protections Office: The HSC Human Research Protections Office (HRPO) staff are knowledgeable about UNM policies and federal and state regulations related to human subjects protections.	3.77
5. Shared Facilities: Microscopy	3.48
6. Shared Facilities: Animal Resource Facility	3.47
7. Human Research Protections Office: My submissions are reviewed by the Human Research Review Committee (HRRC) in a timely fashion.	3.44
8. Human Research Protections Office: The Human Research Protections Office (HRPO) staff has helped me to better optimize informed consent for my subjects.	3.41
9. Human Research Protections Office: I have utilized the IRB-on-the-Go service provided by the Human Research Protections Office (HRPO) and found it to be useful in optimizing and facilitation my submission. (Leave question blank if you have not used the IRB-on-th-Go service).	3.34
10. Compliance Service: Office of Animal Care and Compliance	3.30

# Bottom 10 Lowest Ranked for Satisfaction

1. Clinical & Translational Science Center: VIVO Research Networking Tool	1.99
2. Faculty & Staff Recruitment & Retention: Salaries offered to faculty candidates	2.28
3. Topaz: Topaz Protocol Management Software	2.33
4. Faculty & Staff Recruitment & Retention: Staff human resources and hiring processes	2.37
5. Faculty & Staff Recruitment & Retention: Administrative and technical support offered to faculty candidates	2.41
6. Faculty & Staff Recruitment & Retention: Protected time offered to faculty candidates	2.42
7. Faculty & Staff Recruitment & Retention: Faculty human resources and hiring processes	2.48
8. Compliance Services: Grants Management Training	2.64
9. Shared Facilities: Biocomputing (Cheminformatics)	2.64
10. Shared Facilities: Clinical Laboratory - CTSC	2.67

# Top 10 Response Rate

Question	Responses
1. Do you have, or have you had extramural funding in the last 3 years?	100%
2. During the past 24 months did you receive internal pilot funding?	100%
3. Protected time offered to faculty candidates	100%
4. Administrative and technical support offered to faculty candidates	100%
5. Faculty promotion process on tenure track	100%
6. Faculty Human Resources and hiring processes	100%
7. Compliance Services – Importance & Satisfaction	100%
8. Salaries offered to faculty candidates	99.6%
9. Faculty promotion process on clinician educator track	99.6%
10. Staff human resources and hiring processes	99.2%

# Bottom 10 Response Rate

Question	Responses
1. From which pilot program did you receive funding?	16.6%
2. Have you submitted an extramural grant based on preliminary data obtained from your pilot award?	16.6%
3. I have utilized the IRB-on-the-Go service provided by the Human Research Protections Office (HRPO) and found it to be useful in optimizing and facilitating my submission.	23.6%
4. Over the past year, have you utilized any CTSC resources at HSC?	31.3%
5. The HRPO staff has helped me to better optimize informed consent for my subjects.	40.2%
6. The HRPO staff has helped me better evaluate risks to my study subjects.	41.0%
7. When evaluating the research protocol, the Human Research Review Committee (HRRC) focuses on the consenting process in its entirety rather than only the consent document.	41.6%
8. The HRRC is effective in their federally mandated role of reviewing and monitoring research involving human subjects and ensuring that appropriate steps are taken to protect the rights and welfare of those subjects.	42.1%
9. My submissions are reviewed by the HRRC in a timely fashion.	42.1%
10. The HSC HRPO staff are knowledgeable about UNM policies and federal and state regulations related to human subjects protections.	42.4%
