SELECTED UNM HSC ACTIVITIES IN BERNALILLO COUNTY

Patient Care

- College of Nursing: Clinical rotations
- College of Pharmacy: Free flu clinics, health fairs, health screenings
- Dental Medicine: VA Medical Center
- Family and Community Medicine: Clinical consultations, Clerkship, One Hope Centro de Vida clinical services, Mobile clinic at Pajarito Mesa
- Internal Medicine: IHS Rheumatology clinic
- Office for Community Health: School Kids Influenza Immunization Project (SKIIP)
- Pediatrics: Adolescent medicine, Cardiology, Occupational Therapy, Para los Ninos, Albuquerque School-Based Health Centers Project, Children's Medical Services- Camp Enchantment

Education

- UNM Comprehensive Cancer Center: Native American Cancer Education Leadership Institute, Hispanic Cancer Education Program, Ventanilla de Salud - Diabetes, Substance Abuse, and Tobacco Control Education Programs and Referral to Medical Home
- Cardiology: Public presentations, IQ magazine monthly article
- Cell Biology/Physiology: Public presentations
- Center for Life: Resident and medical student rotation education, Integrative Medicine exhibits and workshops
- Center for Native American Health/Institute for Indigenous Knowledge and Development: Student support activities
- College of Pharmacy: Public presentations
- Family and Community Medicine: Community outreach and public presentations
- Internal Medicine: Community presentations
- Molecular Genetics/Microbiology: Science on Tap community presentation, Men's Multiple Sclerosis Support Group, Parkinson's Symposium

- NM Poison and Drug Information Center: Poison Prevention, Poisonous Plants, Halloween Safety Tips, Home Safety, Poison Patrol, Women and Children's Health, Student Training
- Office of Diversity: Dental Admission Test, Medical College Admission Test and Pharmacy College Admission Test preparation courses, DreamMakers Health Careers Program, Health Careers Academy, Mental & Behavioral Health Academy, Undergraduate Health Sciences Enrichment Program, Health Sciences Career Day, Interprofessional Health Outreach Program, STEAM-H Career Exploration Extravaganza Weekend
- Office for Community Health: Community Health Worker home visits and care coordination, Mental Health First Aid trainings
- Pathology: STEM Animal Research Workshop for school teachers, Pathology interest group, Public presentations
- Pediatrics: Neonatology outreach, Occupational Therapy public presentations
- Pediatrics/Prevention Research Center: CHILE Plus- Child Health Initiative for Lifelong Eating and Exercise, RAPS- Risk and Resiliency Assessment Project for Students, Sexual Violence Prevention Trainings
- Psychiatry & Behavioral Sciences: Public presentations
- Psychiatry & Behavioral Sciences/Community Behavioral Health: Brain and Behavioral Health Institute, Consortium for Behavioral Health Training and Research, Native American Suicide Prevention Clearinghouse, ACTION project, Jewish Community Center, Mescalero Mental Health Prevention and Intervention Project, Suicide Prevention Training
- Radiology: Central New Mexico Community College Advisory Committee on Radiologic Sciences

Health Extension (HEROs)

- South Valley Health Extension Office
- Southeast Heights Health Extension Office
- Black Health Resource Center
- Collaborative for Hispanic/Latino Health Equity
- Native American Collaborative for Community Health and Wellness

Telehealth

- Internal Medicine: Clinical and educational programs
- Neurology: Clinical and educational programs
- Pediatrics/Center for Development and Disability (CDD) clinical and educational programs
- Pediatrics/Envision NM: Adolescent medicine
- Project ECHO: Child and Youth Epilepsy Clinic, Chronic Pain and Headache, Community Addictions Recovery, Complex Care Clinic, Diabetes, Hepatitis C, Integrated Addiction/Psychiatry & Behavioral Sciences, Palliative Care, Rheumatology, Women's Health/ Genomics, Family Obesity Prevention, Tuberculosis, Endocrinology, iHealth Training, AASTEC Partners in Good Health and Wellness, All Hands, Community Health Worker Training, NM Primary Care Training Consortium, Nurse Practitioner/Certified Nurse Midwives
- Psychiatry & Behavioral Sciences: Clinical and educational programs, IHS Center for Telehealth Excellence
- Psychiatry & Behavioral Sciences/Community Behavioral Health: Child and Adolescent Health services

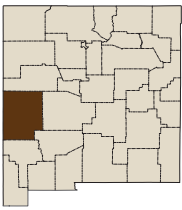

Community Research

- Biochemistry and Molecular Biology: "Exercise Interventions During Voluntary Weight Loss in Obese Older Adults"
- UNM Comprehensive Cancer Center: "Improving Collection of Use of Family History to Promote Risk-Based Cancer Prevention," Melanoma RAS/BRAF Mutation: Heterogeneity-Risk Prognosis, Native American Cancer Education Project, NCI Community Oncology Research Program

- Clinical & Translational Science Center: Health Leadership High School Partnership, New Mexico Center for Advancement of Research, Engagement, and Science on Health Disparities (NM CARES-HD)
- College of Nursing: DOH Youth Development Pathways to Promote Health in Rural New Mexico, RWJF Nursing and Health Policy Collaborative, School Nurses' Perspectives on Culturally Competent Suicide Prevention for American Indian/Alaska Native Students in New Mexico
- Health Sciences Library and Informatics Center/Distance Services: "Minimizing Stress and Maximizing Success of Physician Use of Health Information and Communications Technologies"
- Family and Community Medicine: "Culturally Appropriate Options for Diabetes Prevention and Care for Low-Income Latinos," "Evaluating Health Equity in New Mexico: Impact of Place Matters and Health Impact Assessments," "Improving Colorectal Cancer Screening for Latinos in Primary Care," "Understanding and Reducing Health Disparities among Latina Immigrant Women in Relation to Synergistic Dynamics associated with Social Isolation and Depression," "Understanding the Role of Culture, Identity, Epistemology and Bi-Cultural Efficacy in American Indian Education and Professional Success in STEM"
