Network with the Educators

August 5-7, 2020

Sponsored By

**SCHOOL OF
MEDICINE**
DIVISION OF DENTAL HYGIENE

Second National Conference for

Dental Hygiene Educators on Clinical and Pain Control Instruction and Coordination

COURSE DESCRIPTION

This course is geared toward the dental hygiene faculty member responsible for teaching in clinic, coordinating clinic, and/or teaching pain control within the dental hygiene curriculum. Emphasizes networking groups to help educators enhance their course, share ideas and brainstorm solutions to teaching dilemmas. Networking groups strengthen teaching concepts for dental hygiene educators. Course will provide teaching strategies and techniques unique to teaching clinic and pain control. Strategies will be provided to ease the transition of applying dental hygiene theories taught in class to the clinical setting.

COURSE CONTENT

Educational strategies directed at:

- Teaching pain control and patient management
- Clinical instruction and communication skills
- Developing outcome assessments and report building
- Developing clinical philosophies and faculty calibration
- Effective clinical coordination strategies
- Effective leadership skills for faculty
- The development of competent dental hygienists

DISTANCE EDUCATION OPTION VIDEO CONFERENCE

The workshop will feature a distance education component for participants who wish to attend the conference via Zoom Video Conference. This component will allow faculty to attend via their home or classroom for all sessions. All faculty will have access to the recorded sessions after the conclusion of the workshop.

*Please note, the overall quality of networking available is more robust in-person. We do our best to make the Zoom option as interactive as possible, but in-person attendance is recommended for the fullest experience.
