CONFERENCE DESCRIPTION
The 28th Annual Amazing Newborns conference, titled The Art of Newborn Assessment is aimed at providing healthcare professionals tools and skills to complete assessment, renal complications, genetic conditions and endocrinology. Additionally, breakout sessions will focus on helping nurses prepare for neonatal abstinence syndrome, as well as on simulation training for neonatal resuscitation. We will also continue to focus on helping families in crisis maintain a safe home for their newborns to go home to.

CONFERENCE OBJECTIVES
At the conclusion of this conference, the participant should be able to:
1. Perform effective assessment of the newborn assessment
2. Apply strategies to help recognize families in crisis and timely interventions to maintain family cohesion.
3. Apply concepts of effective organization and feedback in the simulation setting to facilitate learning.
