Join us for the first annual IPE Day!

Students and faculty will present their research on leadership, innovation, education initiatives, and scholarship on how we partner across disciplines to improve health outcomes for marginalized and/or vulnerable populations in New Mexico.

If you have any questions about the conference or abstracts, please contact the HSC Office of Interprofessional Education (IPE)

HSC-IPE-Office@salud.unm.edu

*IPE Honors students will receive **innovative** credit for presenting & **informative** credit for attending*
